Today's round-up is my picks for the base products for normal combination to oily skin that have a great staying power in hot and humid weather and still look natural.. Rated with 4.1 out of 5 stars this sensational illuminating makeup is completely oil free- which means you don't have to worry about clogged pores or shiny faces.. I just figure that patchiness is better than super mega oiliness I really can't explain just how oily my skin is haha And I've never tried it over foundation.
